

Yes We

Here is how you can help raise money for CASA by recycling:

1. Email jacqueb@casa-lane.org to make an appointment to pick up (or request by mail) Blue Bags, barcoded for CASA.
2. Fill the bags with empty cans marked with an Oregon refund value (aluminum, glass and plastic).
3. Take full bags directly to one of three BottleDrop centers, where the barcoded tag will open a secure Drop Door and the entire bag can be donated. No sorting or machine feeding is required and up to 10 Blue Bags can be dropped each day without an appointment!
